

Set, set, bright sun,
Set, with waning light.
And you, bright moon,
Begone, sink into the waters.

Sorrow, forest - sorrow, my sister,
Let us sorrow together,
You - for your leaves, forest,
Me - for my youth.

Your leaves, forest, my sister,
Will grow again;
My youth, forest, my sister,
Will never return.

At Sunset

on "Zajdi, zajdi" (Macedonia)
